Instructions to Bidders

The Village of Ubly is receiving bids for the following streets:

- Franklin Street 3" cold mill and two 1.5" lifts of 13a**
- Queen Street 3" cold mill and two 1.5" lifts of 13a**
- Hurford Drive 3" cold mill and two 1.5" lifts of 13a**
- Schrader Drive 3' cold mill and two 1.5" lifts of 13a**

The Village intends to award streets based on the amount funds available. The Village shall require a %5 bid bond or certified check. Upon award Performance and Payment bonds along with insurance shall be required. The Village intends to provide the traffic control for the project. The Village will also supply water at a hydrant in town for the contractor to use at no charge. Hauling of water by contractor. Once streets are milled for paving the expectation is to have the first lift of asphalt installed within 3 days. We do have some minor curb work on some of the streets, so once low bidder is awarded, we work together on a schedule so we can have that work all done prior to milling.

Huron County Road Commission will test the 13a HMA material for the Village. Inspection will be by Dave Franzel, DPW Superintendent for the Village of Ubly.

2021 Contract work times:

- June 7th thru June 30th** If this time frame is chosen all work needs to be complete by June 30th.
- July 1st thru July 18th** NO WORK, Due to preparations of town festival and clean up afterwards.
- July 19th thru Oct 8th** Final completion date
