

HELP US BUILD A PLAYGROUND WHERE EVERY CHILD CAN PLAY

Dear Ubly Business, Community Organization, or Community Member,

The Village of Ubly is excited to be working toward a new **ADA-accessible playground area**, located west of the parking lot in the Village Park. Our goal is to create a safe and welcoming place where **children of all abilities can play together**.

The project includes **ADA-accessible playground poured-in-place rubber safety surface**. Together, these improvements will make the playground safer and more accessible for children who use wheelchairs, walkers, or other mobility devices.

Our Fundraising Goal: \$50,500.00

We are asking local businesses, organizations, and individuals to consider supporting this project with a monetary donation. **Every donation, large or small, will help us create a place where every child feels included and no child has to sit on the sidelines.**

With your permission, donors will be recognized on a **community donor recognition sign** at the playground.

Donations may be made payable to:

Village of Ubly

Please write **"Park"** in the memo/comment area.

We kindly ask that you let us know your donation amount, or have your donation available for collection, by **Friday, October 30, 2026**.
